

## KLEIN LOUIS SAUVIGNON BLANC 2021

### GENERAL INFORMATION

TASTING NOTES	Selected Sauvignon Blanc grapes are sourced from the cool climate region of Darling, which is influenced by the cooling Benguela Current. This wine is fresh and zesty with aromas of green pepper, freshly mowed grass and a touch of grapefruit while the palate shows tight fruit, lively acidity and a dry finish.
ORIGIN	Darling, South Africa
VINTAGE	2021
CLIMATE	The late and slow harvest was worth the wait. Wine lovers can look forward to remarkable wines from the 2021 crop. The cooler weather enabled producers to harvest their grapes at exactly the right time. Viticulturists and winemakers are especially excited about good colour extraction, low pH levels and high natural acidity in cases where vineyards were managed effectively, which all points to exceptional quality wines.
SERVING SUGGESTION	Pairs perfectly with Mediterranean cuisine, seafood and fish, crispy salads and green vegetables

BOTTLED	December 2021
EAN BOTTLE	6009687790949
EAN CARTON	6009687790956
ITEM NUMBER	88554

### ABOUT NAPIER VINEYARDS

Napier Vineyards is located in the unique wine region of Wellington in the Western Cape of South Africa. The winery is named after Sir George Napier, who was Governor of the Cape of Good Hope from 1838 to 1843. He assisted in the abolition of slavery in the Cape Colony.

At the foot of the Hawequa Mountains, Napier Vineyards has around 25 hectares of vines planted with various grape varieties. The focus is on best quality through yield regulation and working in tune with nature.

The style of the wines displays the strength of a New World climate, whilst showing the complexity and finesse of some of the best European wines.
